

IN 2017 CTIA SUPER MOBILITY WILL BECOME

MOBILE WORLD CONGRESS AMERICAS

12-14 SEPTEMBER 2017 • SAN FRANCISCO

SAN FRANCISCO 12-14 SEPT 2017

IN PARTNERSHIP WITH

AN EVENT OF

REGIONAL FOCUS ON
NORTH, CENTRAL &
SOUTH AMERICA

CREATING THE CONNECTED LIFE

The 2017 Mobile World Congress Americas will showcase how mobile is creating the connected life, transforming how individuals, businesses and entire industries communicate, interact and innovate.

This exciting new event will highlight core mobile technologies, consumer and industrial applications in the Internet of Things, the intersection of mobile with entertainment, content and media, and the leading role of the Americas region in driving global innovation.
